MISSION STATEMENT - Alpha Phi Alpha Fraternity, Inc. develops leaders, promotes brotherhood and academic excellence, while providing service and advocacy for our communities.

VISION STATEMENT - The objectives of this Fraternity shall be: To stimulate the ambition of its members; To prepare them for the greatest usefulness in the causes of humanity, freedom, and dignity of the individual; to encourage the highest and noblest form of manhood; and To aid down-trodden humanity in its efforts to achieve higher social, economic and intellectual status.

My Brothers, since our last issue in December we have seen destruction of massive proportion in the country of Haiti. The General President has issued a call for donations and I am asking all chapters to think as our "Jewels" would and do what you can for the downtrodden. Food, clothing and water can make the difference between life and death. When we think of those in need, we fulfill our mission and walk lock step with our "Jewels". Make a difference and support the recovery efforts in Haiti.

We have just completed another successful Georgia District Conference, my heartfelt thanks to our Director of Conventions Keith Harris, Chief of Staff Marco Pitts, the finance team Financial Secretary Andre Prospere and Treasurer Don Webster, host chapters Alpha Chi Lambda and Eta Alpha, convention officers and committee chairmen for their hard work and dedication in ensuring the success of the 54th Georgia District Conference. I congratulate all of our award winners who will be representing us at the Southern Region Convention in Jackson, Mississippi and am looking forward to seeing each of you representing Alpha South at the 104th Convention and being named National Award winners.

During the State of the District speech, I spoke on the theme are you "Stuck on Stupid" in regards to illegal Intake activities, such as pre and post HAZING activities, allowing inactive members of the 3 T club (tags, tattoos, tee shirts) to participate in college chapter activities and holding Brothers and Chapters responsible and accountable for their actions, including the use of State of Georgia laws to prosecute violators. It has been stated over and over again, nothing you do will determine if someone will be made right or remain active, in fact many of those who perpetuate this myth are inactive themselves. **I took an oath to protect Alpha Phi Alpha Fraternity, Inc., so let it be known, I am your best friend when you are on the side of right, I am Alpha's best friend when you are on the side of wrong.**

Effective immediately, any chapter and any Brother seen, pictured or who knowingly allow Brothers who are inactive, not matriculating at your college, suspended or expelled, participate in Alpha activities, will face the same disciplinary actions as those who are suspended or expelled. Many problems occur when Brothers do not understand that graduation means just that, or those suspended or expelled are embraced by Brothers in good standing. Ignorance is no longer a defense, if you do not know who they are, ask, stop allowing renegades to tear down Alpha Phi Alpha. As the Regional VP Brother Crumel stated in his State of the Region address, if chapter leaders cannot man up to tell inactive members to bud out, they should resign and the chapter elect leaders who will protect the chapter and not the outsiders intend on destroying our good name. To place all of this into perspective, would you like your legacy to reflect that your chapter lost its charter during your time in school.

All Chapter Directories should have been updated and all Corporate, Region and District fees paid, chapters not in compliance by 15 February 2010 will be placed on Social probation and all Alpha related activities suspended until the fees have been paid. Chapter Presidents it is your responsibility to ensure this happens.

Chapter Delegate's to the 79th Southern Region Convention are required to be in attendance at the Opening session on Friday, 5 March 2010 at 9:00 a.m.

Chapter Presidents or Recording Secretaries should provide copies of the Alpha Legacy to those Brothers who do not have email accounts and distribute the Alpha Legacy at chapter meetings.

I congratulate Brothers throughout the District for their dedication and commitment to promoting brotherhood and academic excellence, while providing service and advocacy to our communities.

Fraternally,

Ronald M. Natson
Brother Ronald M. Natson, Sr.

54th Georgia District Conference

The 54th District Conference under the Leadership of District Director Ronald Natson and Assistant District Director Deonte Simmons, convened under the theme; *The Georgia District: Academic Excellence, Leadership and Service for the 21st Century. The Great Ship of Alpha made its way up the Savannah River, hosted by the Alpha Chi Lambda and Eta Alpha Chapter's after sailing the mighty Chattahoochee River picking up Brothers in North Georgia, Atlanta, Lagrange and Columbus, the Flint River picking up Brothers in Albany and Southwest Georgia, the waterways of the Ocmulgee River picking up Brothers in Macon and middle Georgia, floating down the Withlacoochee River picking up Brothers in Valdosta and South Georgia and cruising up the mouth of the Savannah River allowing the Brothers in Savannah and East Georgia to get on board.*

During the conference we elected a new Assistant District Director, Brother Errio M. Boyd of the Alpha Phi chapter and honored our Past State and District Directors during our first Annual Fraternal Luncheon, were we listened to a motivating and inspiring message from our 33rd General President Brother Herman "Skip" Mason, Jr., Brother Mason remarked that our 104th Anniversary and 90th General Convention would discuss changes and proposals for Membership Intake and the repeated incidents of hazing were ruining our brand as we prepare to dedicate the Rev. Dr. Martin Luther King, Jr. National Memorial. He also stated that the convention would be a no frills, bare bones event. The General President wants He sums it this way, he would like to see *"Brothers to end the hazing and other disrupted behavior that is tearing down our organization and destroying our brand."*

Brother Justin Harlow, Assistant Southern Region Vice President, reminded college Brothers of their responsibility in regards to safeguarding the fraternity, and that instances of hazing must stop. The Southern Region Vice President Brother James Crumel during the State of the Region address spoke about the upcoming Region Convention, illegal intake activities and the Alpha image. During his remarks he stated that no longer will chapters be just suspended, the corporate office will remove charters, regardless of how low the chapter key number is. Once the charter is removed, once or if the chapter is re-chartered, it will be given another key number, wiping out the history of the chapter being replaced. We witnessed 7 great orations during the 2010 Belford Vance Lawson Oratorical Contest on the topic *Losing the Common Touch: The Impact of the Internet on the Socialization of Contemporary American Society* and Alpha Rho of Morehouse battling Delta Delta of Albany State for Scholars Bowl supremacy.

Rules and Credential report - total attendance **344**, 68 members of the leadership team, 78 alumni and 46 college chapter delegates, 135 non delegates and 35 badge only.

Excerpts from the State of the District

Now that this great ship known as the Georgia District has reached open waters, the anchors must be dropped, the sails rolled up, and the engines turned off. It is time for me, loosen the tie and roll up my sleeves. For some of you in this room, the next few minutes may be brutal and a little uncomfortable. As Della Reese told Quick in the movie Harlem Nights, "Now I gotta cut you". Unlike Quick who learned his lesson, far too many of us are still "**Stuck on Stupid**".

We have brothers in this fraternity who are bent on destroying everything we stand for, erasing our legacy and tearing down our good name. We all know who they are. They are the brothers who are not present in this assembly or even bothered to attend this convention. They have limited knowledge about our heritage, because after they were initiated, their history books have collected dust. They are the ones who feel that membership gives them the privilege to "define" Alpha and that their twisted way is the right way. They do not abide by the same traditions, constitution and by-laws as everyone else. Their first priority is not the business of Alpha, but the business of self. They are the Brothers who believe that membership in Alpha gives them the right to act on behalf of the entire organization. We all know them and many of us embrace them every day, even though we know they are up to no good.

The dangerous part of their action is that they want to advise our college brothers on how to conduct membership intake. They are the ones who call you a paper Alpha and they are the ones who say that the wood is good. If these ignorant Brothers knew their history, they would know that for the first 30 years of this fraternity there was no pledging. Yet Alpha Phi Alpha still produced great men and leaders for our communities. Our ignorant Brothers have no idea what makes a good Alpha, because they are less than a good Alpha themselves.

Brothers, who are you listening to? Why would you let an outsider come into the house of Alpha and tell you how to conduct membership intake? Yes, I called them outsiders. If Brothers are not active and financial, they may be Alphas but they are also outsiders. I don't care if the outsider is your father, brother, cousin, or your momma's best friend. Do not let an outsider tell you how to run the house of Alpha.

Would you let a strangers come into your dorm room, apartment or your house and tell you how to run your business? NO. Then why would you listen to an outsider when it comes to running the business of Alpha and membership intake. Brothers you should follow the example set by the Jewels. They did not listen to CC Poindexter when he told them that African-Americans were not ready for a fraternity. If the Jewels were like some of you and listened to an outsider, we would not be here today as Alpha men.

Some of these Brothers who claim to know how to make a good Alpha will tell you they are still members of a college chapter even though they graduated 10 years earlier. They have more Alpha paraphernalia than Brothers who have always been financial. They perpetuate the myth that there is a difference between being called paper and wood. They are, like some in this room, "Stuck on Stupid". Brothers, let's be clear. You cannot beat Alpha into anyone. There is no such thing as making a brother right. And, there is no such thing as a paper brother. Once a Brother is initiated into Alpha, he has all the rights and privileges thereof. There are only two categories of membership in Alpha, College and Alumni, not Paper and Wood. Every Brother initiated into Alpha after 1995, whether or not they participated in an underground process or not, are part of the Intake process and no amount of wood can change that.

Alpha must be in your heart. It is what you do after your initiation that determines if you are a good Alpha man. Such as paying your financial obligations, participating in chapter activities, and being involved in fraternal events. Be warned Brothers. *From this point forward, any chapter that violates the intake process will not be suspended but will be de-chartered. We will no longer allow chapters to remain active if its members cannot follow the constitution, by-laws and standing orders of this fraternity.* We will also provide information to the colleges and universities which may result in you being expelled from school. As General President Harry E. Johnson use to say, if you don't know, you better ask somebody and I can show you better than I can tell you.

Scholarship and excellence are basic ingredients for an outstanding fraternal experience. We go to college to get an education. Fraternal life is secondary. When we reverse these two, the trouble starts. Undergraduate Brothers must understand that getting an Education is the reason for attending college. You are being a good Alpha man when you're on the Deans' list and honor rolls. A good Alpha means being the Student Government leaders, the yearbook and newspaper editors, leading the pack by dressing like a leader. *Always look like an Alpha man, and not thugs, with your hat turned sideways, rag on your head, looking like a fool with your pants on the ground.*

Reminder to all chapters;

Intake for the Spring semester has been placed on hold, chapters should not schedule any awareness seminars without the consent of the Area Director who will have my personal consent in regards to the seminar. A press release will be issued to inform colleges and universities of our Intake Moratorium and next steps in the process. Any violation of this order will and I repeat will result in a recommendation to have the chapter charter immediately suspended with a recommendation for de-chartering.

Brothers cutoff Alpha shirts, sagging pants, hoods on your head inside a building, doo rags, or Alpha hats turned backward are not image traits of an Alpha Man. Protect our image and our brand, how can you expect to attract the best and the brightest if you look just like every other male on campus, please protect our image, look, walk, and talk like an Alpha Man should. **Line jackets, shirts, sweaters, etc should be free of words such as "bloody" or "fly", additional colors, especially the color red and pictures of Apes or Monkeys**, which are not symbols associated with the Membership Intake Process, and just like the N - word, sends the wrong message to the public. **We are Alpha Men, not Apes.** Also, the Alpha Sweetheart song, not Fraternity Hymn should be the song utilized when honoring your queen and her court

College Brother affairs with Brother Deonte J. Simmons

M y beloved College Brothers, I greet you in the spirit of our beloved Seven Jewels and pray your holidays were joyous and your return to school fruitful. We have just completed another District Conference and I pause to congratulate our Assistant District Director - Elect **Brother Errio M. Boyd** who will be sworn in at the Southern region Convention in Jackson, MS. My congratulations to the winners of the District award competitions and best wishes to the Brothers, chapters and our Queen who will compete in Jackson, I look forward to seeing each of your competing for national awards in Phoenix in July.

I would be remiss if I did not mention the dissatisfaction with a couple of chapters in regards to the treatment of their chapter queens. The young ladies are representing the members of the chapter and it is imperative that when she competes she has the undying support of the chapter. In the future if you do not plan to fully support your chapter queen during the District conference, then you should not have a pageant during the year, your obligation is to Alpha Phi Alpha Fraternity, Inc and the Georgia District, not to other events that may be taking place or you may wish to participate in. I congratulate and thank each chapter who fully supported their chapter queen during the District conference and I employ you to keep up the good work.

I need all College Brothers to check your pass card to ensure it did not expire on 31 December 2009. If expired, you must pay your grand tax to be financially active for the fraternal year 2010.

F inally, I again remind you that illegal hazing will soon doom us if we are not careful. The General President, the Regional Vice President and the District Director all have zero tolerance policies in regards to hazing, it is not about you, it is not about how you feel about the Intake process, it is about Alpha, its Legacy and its future. If you would like to improve the process, voice your concerns during the Regional Convention in Jackson and the during the 90th General Convention in Phoenix. If you are not present, your voice will not be heard and your opinion will not count.
